

**PREVALENCE OF LIVER DISEASE  
STATE FACT SHEET**

American Liver Foundation (ALF) Liver Life Advocates—Raising Awareness, Advancing Change™, represents more than 100 million Americans affected by liver disease.

**Michigan Residents Affected by Liver Disease**

**Archie "CJ" H.**

CJ advocates to raise awareness about liver disease and the importance of prevention. In 1999, CJ lost a beloved grandmother to non-alcoholic cirrhosis, and in 2025, CJ's mother was diagnosed with the same disease. CJ hopes to inspire all families affected by liver disease—those who have lost loved ones, those with loved ones currently fighting, and those who have yet to be diagnosed.

- Pediatric Screening: Advance the Ian Kalvinskas Pediatric Liver Cancer Early Detection and Screening Act for earlier diagnosis
- CDC Efforts: Strengthen liver disease surveillance and prevention

ALF is a national community of patients, caregivers and medical professionals dedicated to helping people improve their liver health. Providing guidance and life-saving resources, we are a beacon for the 100 million Americans affected by liver disease. We advocate for patients and families, fund medical research and educate the public about liver wellness and disease prevention. We bring people together through our educational programs and events and create a network of support that lasts a lifetime. ALF is the largest organization focused on all liver diseases and the trusted voice for patients and families living with liver disease.
