

# Register your team online!

*It is a fun and easy way to collect donations and recruit team members...and it takes only minutes!*

- Go to <http://walkgny.goliver.org>
- Click on **Register Online** below the Liver Walk information.
- Click on **Register Now** next to the Liver Walk logo at the top of the page.
- If you registered with Active.com for past Liver Walk events, enter your username and password. If you have not registered, select **Create My Account** and enter your information.
- Select the Liver Walk event in which you would like to participate.
- Select the category **Team Captain**, review the waiver and select the box stating that you agree to its conditions.

*\*\*Your team members will follow the same steps to register, except they will select the category **Team Member** and will select your team name from the dropdown box on the registration form.*

## Two Fundraising Pages Will Automatically Be Created

**Your Individual Fundraising Page:** This is your personal page. You can customize it with a personal message, photo, goal, etc. Donations made on your behalf appear on this page and are also included in your team's fundraising total on your Team Fundraising Page.

**Team Fundraising Page:** This page reflects the online donations received by your team members. You can customize it to include a team message, team photo, team goal, etc.

## Send an email to everyone in your email address book!

Ask them go to <http://walkgny.goliver.org>

- If they wish to register for the event, they should click **Register Online** and follow the instructions. Remind them to select your team name from the drop down box on the Online Registration Form.
- If they wish to make a tax deductible donation, they should click **Donate Online** and select your name from the dropdown box under **View Fundraising Pages**

*If you have questions about online registration, or for more information about Liver Walk 2008, please contact 212-943-1059 or [Gparziale@liverfoundation.org](mailto:Gparziale@liverfoundation.org)*

**Thanks for walking to help promote liver health and fight liver disease!**
