Nowhere else will you witness firsthand culinary experts creating a menu personally for you!

Flavors of Indianapolis is a unique and creative culinary event that will showcase premier chefs and restaurants from around the city. Chefs will prepare, tableside, a signature five-course, gourmet dinner, complete with wine pairings and distinctive décor for a table of twelve.

Flavors of Indianapolis benefits the mission of the American Liver Foundation- to facilitate, advocate, and promote education, support and research for the prevention, treatment and cure of liver disease.
